# Simplifying Indigenous Procurement Compliance for Construction

Achieve & exceed your **3-4% spend targets** internally by working with a reliable, effective and professional building products provider.

The **Indigenous Procurement Policy (IPP)** mandates that Australian Commonwealth agencies meet annual targets for spending on First Nations businesses, with a target of 4% of total contract value by 2029-2030.

High quality building products, including James Hardie™, WeatherTex™, Cutek™ & More.

Detailed National Indigenous Procurement Policy report provided with every purchase for your procurement records.

Advanced quotation service offered, provide plans for detailed product quotation service.

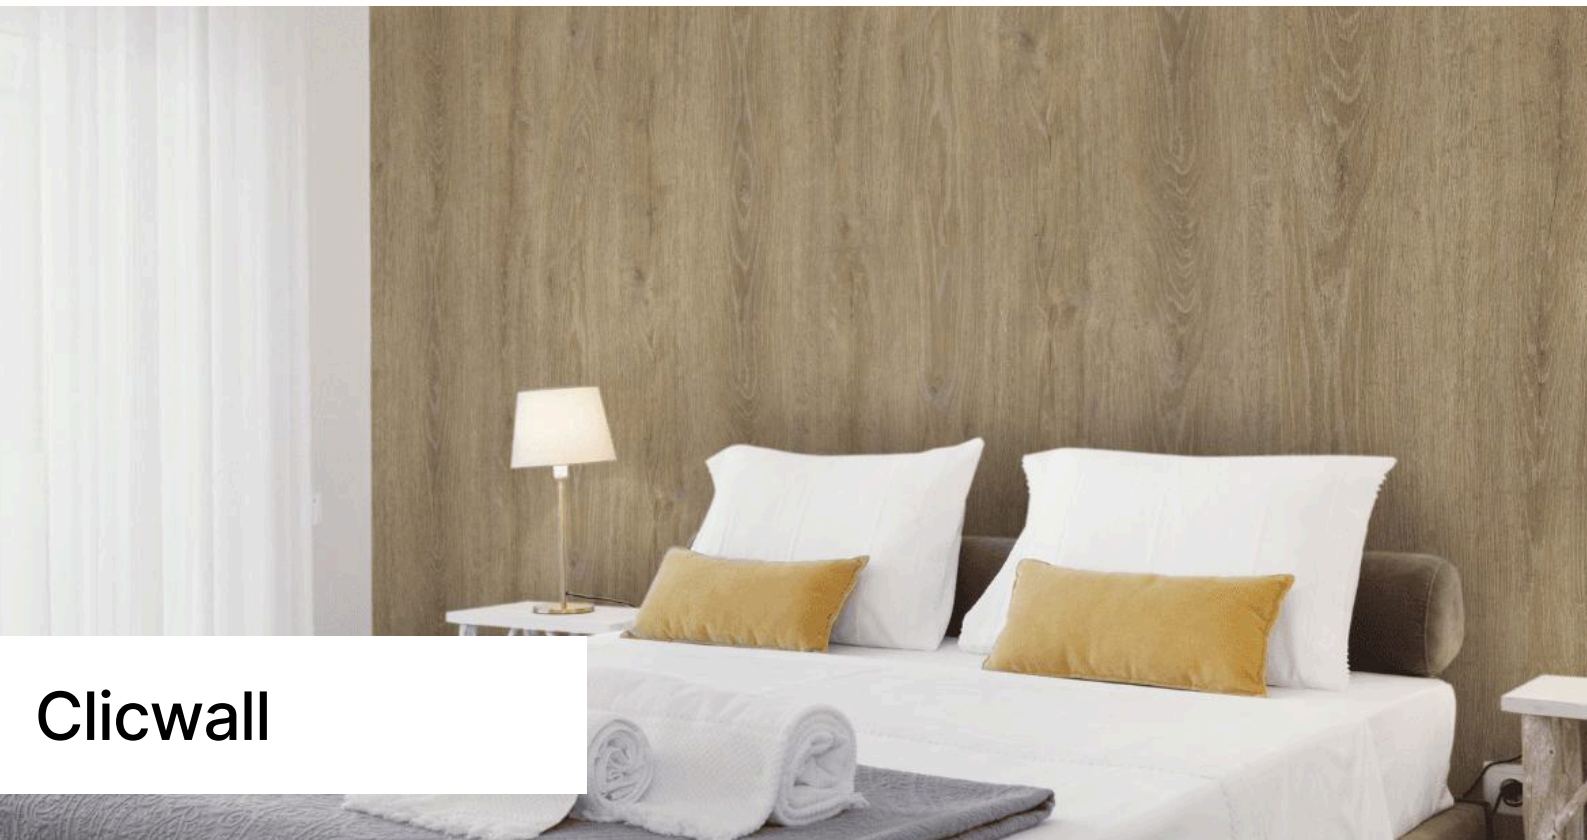

We only provide tried & tested, high quality building products for the Australian Construction Industry

✓ Australian stock    ✓ Trusted brands    ✓ Professional service
